Any similarity between characters appearing in *Drummer* and actual persons, living or dead, is purely coincidental. The representation or appearance of any person in *Drummer* is not to be taken as an indication of his or her sexual preference.

**CAUTION:** Every decision a person makes, including the decision to get out of bed in the morning, has some degree of risk associated with it. We strongly believe that each competent adult must set for themselves the level of risk he or she is willing to accept. Some avoid crossing streets in heavy traffic—others stunt-ride motorcycles without a helmet. However, to intelligently confront and accept risk, a person must understand the dangers. While *Drummer* hopes to educate its readers on a wide variety of topics, its main purpose is to entertain! Works of fiction

presented in this magazine are just that—fiction! They are not in any way intended to suggest or describe activities that anyone should—or often could—actually do. They are meant for entertainment only.

In other than fictional pieces we will emphasize safe sex with respect to contagious diseases and safe and sane behavior with respect to all activities, and will try to point out all activities which deviate from generally recognized safe-sex and safe-and-sane play activities. However, Desmodus Inc., its officers and stockholders, the editors and staff of *Drummer*, columnists, authors, artists and other contributors to this publication and other organs of Desmodus Inc. cannot be held responsible for accidents, injuries or other misfortunes that result from proper or improper application of information imparted or ideas generated by materials in *Drummer*, or from other Desmodus Inc. products.
